*The 18th Annual Symposium*

October 8-9, 2010  
Turf Valley Resort and Spa  
2700 Turf Valley Road  
Ellicott City, MD 21042

# NASMDA CME 2010

This program has been designed to discuss the management of Addiction, Liver Cirrhosis, Domestic Violence, Pediatric Sleep Apnea, Sports Related Injuries, and Congenital Heart Disease.

## AIMS AND OBJECTIVES

*Understand how to recognize the signs of domestic violence and its management strategies.*

*Review the evolution of sports medicine and sports related injury treatment in India.*

*Understand the management of complications related to liver cirrhosis.*

*Discuss the management of opioid dependence.*

*Recognize the signs and symptoms of sleep apnea in the pediatric patient.*

*Understand the use of transcatheter treatment of congenital heart disease.*

## *Target Audience*

This medical education symposium is targeted for health care providers including primary care physicians, fellowship trained physicians, dentists, and other health care providers.

## *Compliance*

The program has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship with the SUNY at Buffalo School of Medicine and Biomedical Sciences and the North American Sikh Medical and Dental Association.

## *Accreditation and AMA/PRA Designation*

The SUNY at Buffalo School of Medicine and Biomedical Sciences is accredited by the ACCME to sponsor continuing medical education for physicians. This educational program has been designated for a maximum of 6.0 AMA/PRA category 1 credit(s). Physicians should only claim credit commensurate with the extent of their activity.
