NASMDA CME 2011

This program has been designed to discuss the management of Hemorrhoids, review Psychotropic Medications, discuss Neurosurgical Innovations, review new Radiation Oncology techniques, discuss the Erosion of Medicine for philosophical grounds, and learn to Deliver Compassionate Care in medicine.

AIMS AND OBJECTIVES

Understand how to medicine has been eroded as an art by outside factors.

Review the evolution of current strategies in psychotropic medications.

Understand the management of complications related to hemorrhoids.

Discuss new management techniques in the field of radiation oncology.

Discuss new innovations in neurological surgery.

Understand how to deliver compassionate care in medicine, particularly in developing nations.

Target Audience

This medical education symposium is targeted for health care providers including primary care physicians, fellowship trained physicians, dentists, and other health care providers.

Compliance

The program has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship with the SUNY at Buffalo School of Medicine and Biomedical Sciences and the North American Sikh Medical and Dental Association.

Accreditation and AMA/PRA Designation

The SUNY at Buffalo School of Medicine and Biomedical Sciences is accredited by the ACCME to sponsor continuing medical education for physicians. This educational program has been designated for a maximum of 6.0 AMA/PRA category 1 credit(s). Physicians should only claim credit commensurate with the extent of their activity.
