CME 2012

✿ UPDATE IN MEDICINE ✿

The SUNY at Buffalo School of Medicine and Biomedical Sciences with the North American Sikh Medical and Dental Association

present

The 20th Annual Symposium

October 4-7, 2011

Alexis Park All Suite Resort
375 East Harmon Ave
Las Vegas, NV 89169
800-582-2228

NASMDA CME 2012

This program has been designed to discuss the management of Alzheimer's Disease, review the pros and cons of Hormone Replacement Therapy, discuss advances in spinal surgery, review new modalities in vitreoretinal treatments, and discuss social cognitive theory and its role in shaping behavior.

AIMS AND OBJECTIVES

Understand how social cognitive theory plays a role in shaping behavior

Review the evolution of current strategies in vitreoretinal diseases.

Understand the management and complications related to hormone replacement therapy.

Discuss new management techniques in the field of interventional spinal surgery.

Discuss new innovations in the management of Alzheimer's Disease.

Target Audience

This medical education symposium is targeted for health care providers including primary care physicians, fellowship trained physicians, dentists, and other health care providers.

Compliance

This program has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for CME (ACCME) through joint sponsorship with the University at Buffalo School of Medicine and Biomedical Sciences and the North American Sikh Medical and Dental Association.

CME Accreditation

The University at Buffalo is accredited by the ACCME to sponsor CME for physicians.

The UB School of Medicine & Biomedical Sciences designates this live activity for a maximum of **5.00 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
